

1: Identification of the substance/ mixture and of the company/ undertaking

- 1.1 Product identifier:**
OBEX CORTEX 9060FR Self-Adhesive Breathable Membrane
- 1.2 Relevant identified uses of the substance or mixture and uses advised against:**
adhesive backed breather membrane.
- 1.3 Details of the supplier of the safety data sheet:**
Company Identification
Producer: OBEX Group Pty Ltd
Address: 6 Red Fields Road, Moss Vale, NSW, 2577
Tel: 02 4869 1932
Email: sales@obexau.com
Web: www.obexau.com

2: Hazards identification

- 2.1 Classification of the substance or mixture:**

Regulation (EC) N°1272/2008 (CLP)

This product is considered to be an article and is therefore exempt from risk classification.

If properly handled and used this product currently presents no known specific risk to humans or the environment.
- 2.2 Label elements:**
Not relevant.
- 2.3 Other hazards:**
No data available.

3: Composition/information on ingredients

- 3.1 Carrier:**
Membrane
- 3.2 Closed side adhesive:**
Acrylic
- 3.3 Liner:**
PP Film

4: First-aid measures

- 4.1 Inhalation:**
No specific first aid measure necessary
- 4.2 Ingestion:**
Seek medical advice
- 4.3 Skin contact:**
No specific first aid measure necessary
- 4.4 Eye contact:**
In case of irritation, seek medical advice

5: Firefighting measures

- 5.1 Extinguishing methods:**
Water, carbon dioxide, foam or dry powder
- 5.2 Inappropriate extinguishing media:**
No known inappropriate media
- 5.3 Special hazards:**
Formation of toxic gases is possible in case of fire.
Do not inhale combustion gases.
- 5.4 Protective measures:**
Self-contained breathing apparatus recommended.

6: Accidental release measures

- 6.1 Personal protection:**
not applicable
- 6.2 Environment protection:**
not applicable
- 6.3 Clean up method:**
not applicable

7: Handling and storage

- 7.1 Precautions for safe handling:**
No risk of emission or exposure to dangerous chemical products under normal conditions of use.
- 7.2 Conditions for safe storage:**
Not applicable
- 7.3 Storage recommendations:**
Store at a temperature between 18 - 35°C and 50 to 60% relative humidity.
Under these conditions the product can be kept for up to 12 months in its original packaging.

8: Exposure controls/personal protection

- 8.1 Exposure limits:**
No exposure limits noted for ingredients listed in section 3.
- 8.2 Personal protection:**
No specific protection required.
- 8.3 General hygiene and protection measures:**
Do not eat or drink at the work site and wash hands after work.

9: Physical and chemical properties

Information on basic physical and chemical properties

State
Solid
Composition
See paragraph 3
Odour
Weak
PH
Not applicable
Boiling point/range
Not applicable
Flash point
Not applicable
Flammability
Unclassified
Danger of explosion
Unclassified
Oxidising properties
Unclassified
Vapour pressure
Not applicable
Relative density
Not applicable
Solubility in water
Not applicable
Solubility in solvents
Not applicable
Viscosity
Not applicable
Vapour density
Not applicable

10: Stability and reactivity

10.1 Non-reactive and stable under normal storage and use conditions.

10.2 Substances to avoid:
powerful oxidising agents

10.3 Decomposition products:
No hazardous decomposition products under recommended usage conditions. Hazardous decomposition products may occur as the result of oxidation, excess heating or a reaction with other substances.

11: Toxicological information

11.1 Information on toxicological effects
No known specific danger
Based on our current knowledge and under normal conditions of use, this product has no dangerous toxic effect. No evidence of toxicity or sensitisation.

12: Ecological information

12.1 Ecotoxicity:
No known effect.

12.2 Persistence and degradability:
No test data available.

12.3 Bioaccumulative potential:
No test data available.

12.4 Mobility in soil:
No test data available.

12.5 Other adverse effects:
No data available.

13: Disposal considerations

13.1 The product and the packaging may be incinerated together in an authorized disposal site.

14: Transport information

14.1 Under the regulations in force the product is not hazardous and is not subject to specific labelling.

15: Regulatory information

15.1 European directives:
Unclassified

15.2 Symbols and indications of danger:
Non-hazardous product

16: Other information

All information contained in this document is given on the basis of our knowledge at present and is given in good faith but does not constitute a warranty for final use of the product. No warranty should be understood or implied as the final use and application of the product are beyond our control. All risks should be taken into consideration by the final user. OBEX Protection Ltd does not accept any liability for loss or damage arising from the incorrect use of this information.
