Wash with soap and water as a precaution. If skin
irritation persists, call a physician.

4.4 Contact with the Eyes

Wash with plenty of water. If irritation persists,
call a physician.

4.5 Ingestion

Drink 1 or glasses of water. Consult a physician if
necessary.

5. Fire Fighting Measures

5.1 Suitable extinguishing media

Water, CO₂, foam, powder.

5.2 Special hazards arising from the product

No known information.

5.4 Special protective equipment

No

6. Accidental Release Measures

6.1 Personal precautions

Avoid contact with body.

6.2 Environmental precautions

Mechanical recording. Do not allow undiluted
product or large quantities of it to reach
groundwater, watercourse or sewage system.

7. Handling and Storage

7.1 Precautions for Safe Handling

No special measures required.

7.2 Conditions for Safe Storage

No special measures required.

7.3 Storage

At room temperatures, between 10 – 30°C, 50%
RH.

8. Exposure Controls / Personal Protection

8.1 Components:

Does not contain any substances for which an occupational exposure limit value are set.

8.2 Personal protection

Safety glasses with side-shields.

9. Physical and Chemical Properties

9.1 Information on basic physical and chemical properties

Physical State	Solid
Colour	White/clear
Odour	Weak Odour
pH	Not available
Density	1000 – 1200kg/m ³

10. Stability and Reactivity

10.1 General

Stable

10.2 Possibility of hazardous reactions

None known.

10.3 Hazardous decomposition products

None known

11. Toxicological Information

11.1 Information on Hazard Classes

No known information

12. Ecological Information

12.1 Ecotoxicity

Poorly biodegradable

12.2 Additional information

No water hazard

13. Disposal Considerations

Dispose of according to national and local regulations.

14. Transport considerations

The product is not classified as hazardous for transport by any means of conveyance.

15. Regulatory Information

This product is not considered to be hazardous according to EC regulations.

16. Other Information

Inform staff of the precautions to be taken, the risks and measures to be taken in the event of an accident. Provide the recommended PPE.

This safety data sheet complements the technical data sheet but does not replace it. The data described is based on our knowledge of the product at the indicated date. The user should pay special attention if using this product for purposes other than those for which it was designed, taking responsibility for any occurrences that arise.
