

Product Description

OBEX CORTEX 0801 Termination Strip is a flat U-PVC profile used for mechanically fixing EPDM to window frames or wide widths that need supporting whilst the adhesive strengthens and cures.

Dimensions

The Termination Strip comes in 18mm and 12mm widths and are supplied in 3 metre lengths, with 25 lengths/pack.

Properties

Properties	Method	Unit	Value
Density at 20°C	ISO 1183	KG/DM3	1550
Standardised colours			
L*	ISO 7724	sans	27
a*	ISO 7724	sans	-0.1
b*	ISO 7724	sans	-0.5
Mechanical properties			
Yield stress	ISO527-2	MPa	>35
Elongation at break	ISO 527-2	%	>100
Flexural E modulus	ISO 178	MPa	3400
Charpy impact strength at 23°C	ISO 179/1EA	KI/m2	6
Vicat softening temperature	ISO306/B50	°C	79
Coefficient of linear thermal expansion	ISO11359-2	K-1	0.00005
Reaction to fire			
Radiation panel test classification	NFP92501		M 2 Indicative
UL 94 classification	UL 94		V 0 Indicative
