Emergency telephone number: +44 (0) 1905 337800

3. Hazards identification

Classification of the substance or mixture: Not a hazardous product.

Label elements: The product does not need to be labelled

4. Composition/information on ingredients

Chemical characterization: adhesive on acrylic acid ester copolymer

Hazardous ingredients: no hazardous materials content

5. First aid measures

Inhalation: No special measures necessary

Skin contact: Wash with water and soap as a precaution. If skin irritation persists, call a physician.

Eye contact: Rinse with plenty of water. If eye irritation persists, consult a specialist.

Ingestion: Drink 1 or 2 glasses of water. Consult a physician if necessary.

6. Firefighting measures

Suitable extinguishing media: Water, CO₂, foam, powder

Special hazards arising from the substance or mixture: No known information

Special protective equipment: no

7. Accidental release measures

Personal precautions: Avoid contact with the body.

Environmental precautions: Mechanical recording. Do not allow undiluted product or large quantities of it to reach ground water, water course or sewage system.

8. Handling and storage

Handling: No special measures required.

Fire protection: No special measures required.

Storage: At room temperature of about 21 °C and 50% RH

9. Exposure controls / personal protection

Components: Not contain any substances for which an occupational exposure limit value are set.

Personal protection: Eye/ face protection: Safety glasses with side-shields.

Hand protection: Suitable protective gloves

10. Physical and chemical properties

Appearance: solid

Colour: Black

Odour: weak characteristic odour

pH:
density: -

11. Stability and reactivity

General: stable

Possibility of hazardous reactions: No dangerous reactions known

Hazardous decomposition products: no data available

12. Toxicological information

There is no information.

13. Ecological information Ecotoxicity: poorly biodegradable

Additional information:
-No water hazard

13. Disposal considerations

Disposal according to official regulations 14. Transport information
No hazardous good according to transport regulations.

14. Transport information

No hazardous good according to transport regulations

15. Regulatory information

EU regulations: no

National regulations: no

Chemical Safety Assessments: For this product was not Chemical Safety assessment performed.

16. Other Information

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transport, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
